# WELCOME

School Holiday Beach Camp (SHBC) 2017 is our latest event designed for primary and secondary school students. It is an honour to hold the 1st SHBC in Kelantan, an Islamic state positioned in north-east of Peninsular Malaysia. What makes the SHBC more special? The venue is the beach area in Tok Bali, a small fishing port located about 48 kilometres from Kota Bharu, a capital city of Kelantan. In recent years, it has served as an alternative departure point for tourist to the Perhentian Islands. In specific, we choose to hold the event at Bali Beach Village. It is a small chalet facing the sea operates by a local with great facilities for SHBC.

SHBC offers the varieties of activities to the students that help them enhance their social/networking, leadership, teamwork, communication, creativity, tolerance, and problem-solving skills. There are also slots for motivation, spirituality and sports activities. Perhaps these activities can boost the students' confidence level.

The fee covers the registration kits, accommodation, four-to-five times daily meals and certificate. The accommodation is a dorm-style, the students need to bring their own pillow and blanket. The meals will be served at the restaurant. There is a hall in between the dorms' block and behind the restaurant. More information about the chalet is available at [www.balibeachvillage.com](http://www.balibeachvillage.com)

The students will be divided to several groups. Each group is guarded under the same mentor until the end of the camp. Since there are only four dorms available, we have to restrict the number of participants based on the capacity of the dorms. Register now, don't wait until the last minute!

**REGISTRATION CLOSING DATE: UNTIL THE MAX QUOTA REACHED**
